“ I wish I could be there to help celebrate your life. You were the best mother in law a girl could ask for. You meant so much to so many people. You were still mom to me (long after the divorce). You were smart, funny, a card shark, a pie baking miracle worker....oh what that woman could do with a pie crust! You were grandma Sarah to my kids and my daughter's biggest fan! You were my friend and my second mom.

The love and the care you showed is going to be sadly missed. You were an amazing woman and endured so much in your lifetime. I have always been in awe of your tenacity and fierce loyalty to your loved ones. I love you!
