“ I'm gonna try this again. My favorite memories of my dad growing up are of us going racing every weekend. My love of racing grew from watching my dad racing/winning ... Eating fried bologna & egg sandwiches at the track and spending the weekends there... And I was 10 yrs old forever... Lolz.. I love you so much Daddy.. I miss you so much... I hope & pray what I've done for you is what you wanted...

I've Forgiven You.

Your Daughter ,
